

**Proposed Amendments to Ordinance 34
Schedule of Events**

At the June 20, 2011 Special City Council Meeting the Garden Ridge City Council took no action on proposed amendments to Ordinance 34 however, the City Council consensus was that the following schedule of events will occur in relation to proposed amendments to Ordinance 34:

Tuesday, July 12, 2011 at 6:30 p.m. - Joint Meeting conducted between the City Quarry Commission and the City Planning and Zoning Commission

At this time the City Quarry Commission is studying environmental issues as they relate to the quarry. When the commission's study is completed proposed Ordinance 34 will be forwarded to the City Council and a Joint Meeting will be conducted between the City Council and the City Quarry Commission

Release proposed Ordinance to the public

Conduct a Public Hearing for citizen input into the proposed Ordinance

City Council meeting for possible action on amendments to Ordinance 34

The City is currently working on coordinating and determining the dates for the above meetings, release of the document to the public and a public hearing for citizen input. As dates and times are established the webpage will be updated to reflect them as well as agendas posted for the meetings and public hearing. Please be advised that as this process progresses it may be determined that additional meetings are needed before the proposed document is released to the public and the public hearing is held.
